# Consultant Financial Services

True North Partners LLP is an independent consulting firm with offices in London, Frankfurt and Johannesburg. We have extensive global experience and industry recognition in the financial services, risk management and finance communities.

True North Partners is uniquely distinct from the typical consultant business models:

- Being a boutique consulting firm focused on risk, finance and strategy, we deliver innovative concepts and methodologies based on specialist experience and analytical backgrounds
- Working across multifaceted competencies of risk, finance and strategy we overcome the traditional silo thinking and offer client-specific solutions as well as sustainable implementation development strategies
- Being people driven we allow members of all levels to actively participate in the running and development of our young firm

## What we expect

We are always looking for entrepreneurial and dynamic individuals to join our firm. In particular, we are looking for somebody with the following traits:

- Economists, physicists, mathematicians with a top academic track record and at least 5 years of international work experience in consulting for financial services or banking
- Expertise in risk management, especially capital and balance sheet management, risk-appetite setting, risk-profile management, liquidity management, risk quantification, strategic planning and/or pricing, knowledge of European banking regulation
- Focused on problem solving and generating insights - creative and lateral thinking, curious mind that goes beyond the obvious and looks for insight
- Strong analytical skills ability to get into new topics quickly and understand the client's needs
- Ability to structure complex tasks in a goal-oriented way and to deliver innovative solutions under tight timelines
- Entrepreneurial ambition to become an established thought leader and a trusted advisor in a highly competitive environment
- Fluent in English and German

## What we offer

Our company is built for and around its people. It is part of our culture for each member of the firm to take part in the running and development such as business development, marketing and management tasks. A sense of ownership for the firm is a central tenet to our overall behaviour. In particular, we offer

- Challenging projects around the globe with financial institutions of all sizes, often requiring the development of innovative products and methodologies
- A motivating, inspiring and team-oriented work environment with co-workers from a variety of hemispheres and backgrounds
- The opportunity to help shape a unique, professional environment with flat hierarchies and superior career opportunities
- Competitive remuneration
