

Hiring for

## Working Student (remote)

(Germany, Austria or Netherlands)

True North Partners LLP is an independent consulting firm with offices in London, Frankfurt, Amsterdam, Madrid, Vienna, Dubai and Johannesburg. We have extensive global experience and industry recognition in the financial services, risk management and finance communities.

True North Partners is uniquely distinct from the typical consultant business models due to the following:

- Being a boutique consulting firm focused on risk, finance and strategy, we deliver innovative concepts and methodologies based on specialist experience and analytical backgrounds
- Working across multifaceted competencies of risk, finance and strategy we overcome the traditional silo thinking and offer client-specific solutions as well as sustainable implementation development strategies
- Being people driven we allow members of all levels to actively participate in the running and development of our young firm

### What we expect

We are always looking for entrepreneurial and dynamic individuals to support our firm. In particular, we are looking for somebody with the following traits:

- Quantitative studies e.g. industrial engineering, economics, physics with a clear interest also in quantitative and analytical topics
- Interest in data- and modelling topics
- Ideally first experiences in the financial (banking) industry
- Solid research skills
- Knowledge of programming languages such as Excel, Python or SQL
- Fluent in English and German

### What we offer

Our company is built for and around its people. It is part of our culture for each member of the firm to take part in the running and development of True North Partners such as business development, marketing and management tasks. In particular, we offer

- Challenging projects around the globe with financial institutions of all sizes
- A motivating, inspiring and team-oriented work environment
- Remote working environment
- Flexible working times, 20-50% per week
- Competitive remuneration
- Career opportunities in a professional environment with flat hierarchies

If you'd like to contribute to TNP's success and enhance your personal development in an inspiring environment, please send your application including cover letter, CV and supporting documents to [jennifer.leuschner@tnp.eu](mailto:jennifer.leuschner@tnp.eu) with the Reference Working Student Analytics & Modelling.
